November 29, 2017

Dear Parents/Guardians:

We would like to share with you some exciting news for our school community.

The Burnaby Board of Education is excited to partner with the City of Burnaby on the delivery of four full-time childcare facilities to support families with children ages 2.5 to 5 years old. A feasibility study approved in October has recommended that the childcare facilities be located on the grounds of – Capitol Hill Elementary, Montecito Elementary, Cascade Heights Elementary and Stride Avenue Community School.

There will be some site preparation work taking place during the summer of 2018. The facilities themselves will be built offsite and moved in when they are ready. The childcare site at Montecito will be located where the old portables used to be.

It is presently unknown when the childcare centre will be ready for occupancy but we will be keeping you apprised of this and other information pertaining to the childcare centre as the project moves forward.

We look forward to welcoming future Montecito students and their families into our school community. If you have any questions, as always, please contact me directly at 604-296-9023 extension 641001.

Respectfully,

Mrs. Heather Kimmie

Principal
